

Staple Check Here

Hi Parents,

Trevor's Photography is now featuring "Attitude Posters." These are custom posters of all team players showing their best sports "attitude." Samples are attached.

If you would like to order this 10x30 poster, please give a check for \$35.00 to the coach *before* picture day. A minimum of 8 players must order the poster in order to make it. If there are not enough orders then the coach will return the check on picture day.

Q: Does everyone get to be in the attitude poster, even if they're not buying?

A: Yes, the whole team is in the poster.

Q: Why do there need to be at least 8 people ordering to place an attitude poster order?

A: The posters cost a lot of time and money to photograph, put-together, and print. Having a minimum order is the only way to keep it affordable.

Q: Can I place a late order or order more later?

A: Sorry, this is a bulk rate price that is only offered on picture day.

Q: Why isn't the attitude poster on the order form?

A: This is a highly requested poster. However, not every team wants it. We can only produce them if enough people order. There will be a sign-up sheet available with the coach for pre-orders.

Q: What is the cost? To whom should I write the check?

A: The cost for the 10x30 poster is \$35.

Please make checks payable to: **Trevor's Photography**
Please make checks payable to: **Trevor's Photography**.

Payment by **CASH, CHECK OR CREDIT CARD** are accepted.
